- Conference Points System:** Varsity players accumulate points through competition in conference matches that factor into the All-Conference Individual Awards. Missing a conference event will severely hinder your ability to compete for All-Conference Honors. The GAC North Conference Champion Team will be decided based on points accumulated through competition in both conference matches and the conference tournament. Having our best players at every conference tournament is important for the success of the team.
- Districts for Varsity is a 1 day tournament. 3 days are scheduled for the district tournament. The anticipated date of the tournament is Tuesday 5/3. In the event of rain, the tournament will be played on Wednesday 5/4.
- The State Tournament is a 2 day event. We will be in Springfield at Rivercut.
- Boonville and Moberly tournaments will be over night trips. We will leave the night before at approximately 7pm.
